About the Institute

Vardhaman College of Engineering (VCE), a distinguished autonomous institution affiliated with JNTU, Hyderabad, is situated in the serene environs of Shamshabad, Hyderabad. Located within the tranquil Kacharam Village in the Ranga Reddy district, the campus is strategically positioned away from the urban clamour, offering an ideal setting for academic pursuits amidst nature's bounty.

The college offers a comprehensive range of academic programs, including an array of undergraduate B.Tech programs in disciplines such as Computer Science and Engineering (CSE), CSE with specializations in Artificial Intelligence & Machine Learning (AI&ML) and Data Science (DS), AI&ML, AI&DS, Information Technology (IT), Electronics and Communication Engineering (ECE), Electrical and Electronics Engineering (EEE), Mechanical Engineering (ME), and Civil Engineering (CE). In addition, VCE provides postgraduate M.Tech programs with specializations in Digital Electronics & Communication Systems (DECS), Power Electronics & Electrical Drives (PEED), Computer Science & Engineering (CSE), Structural Engineering (SE), and Engineering Design (ED), alongside an MBA program, and doctoral programs in CSE, ECE, and ME.

VCE has been recognized for its academic excellence with an A++ grade accreditation by the National Assessment and Accreditation Council (NAAC), achieving a remarkable CGPA of 3.58 out of 4. Furthermore, six of its undergraduate engineering programs – B.Tech in ECE, EEE, CSE, ME, CE, and IT-have been accredited by the National Board of Accreditation (NBA), New Delhi, under the prestigious Tier-1 category. The MBA program, too, has received accreditation from the NBA in 2023, underscoring the institution's commitment to maintaining the highest standards of education and research.

Overview – 23rd Graduation Day

Preamble

The Graduation Day Ceremony is a momentous occasion that signifies the culmination of a student's academic pursuits and the beginning of a new chapter in their personal and professional life. It is a proud tradition that celebrates the resilience, diligence, and accomplishments of our students as they prepare to step into the world as responsible engineers, innovators, entrepreneurs, and leaders.

At Vardhaman College of Engineering, this annual event embodies our commitment to excellence in education, character-building, and nation-building. The ceremony fosters a spirit of reflection, gratitude, and aspiration-connecting the past years of rigorous learning with the promise of a bright and impactful future.

The 23rd Graduation Day, to be held on 26th May 2025 at Block 7 Auditorium, is not just an academic milestone but a celebration of values, relationships, and lifelong learning. It is a testimony to the collective efforts of students, faculty, parents, and institutional leadership in nurturing excellence and innovation.

Objectives

1. To officially recognize and award academic degrees to all eligible graduates of the B.Tech Class of 2025 in accordance with university norms and institutional protocols.
2. To honor top performers, medalists, university rank holders, and best outgoing students who have excelled in academics, innovation, leadership, and co-curricular pursuits.
3. To motivate graduating students to embrace lifelong learning, professional ethics, and societal responsibilities as they move forward into careers or higher education.
4. To strengthen the graduates' connection with Vardhaman College of Engineering and promote a sense of alumni identity rooted in the core values of the institution.
5. To provide parents, guardians, and guests with an opportunity to witness and celebrate the success of their children, fostering stronger bonds between the institution and its community.

Theme: "Empowered Minds, Boundless Futures"

Chief Guest Profile

Prof. T. Kishen Kumar Reddy, the Hon'ble Vice-Chancellor of Jawaharlal Nehru Technological University Hyderabad (JNTUH), is a renowned academician and visionary leader with over four decades of exemplary service in the field of technical education. Appointed as Vice-Chancellor of JNTUH in February 2025, Prof. Reddy brings with him a legacy of academic distinction, institutional leadership, and a deep commitment to quality in engineering education.

He began his academic journey with a Bachelor's degree in Mechanical Engineering from Osmania University, followed by a Master's in Heat Transfer and Thermal Power Engineering from the prestigious Indian Institute of Technology (IIT) Madras. He further pursued advanced studies in the United States, earning both an M.S. and a Ph.D. in Thermal Fluid Sciences from Drexel University, Philadelphia. His post-doctoral research was conducted at Southern Illinois University, Carbondale, where he deepened his expertise in applied thermal engineering and computational fluid dynamics. Throughout his distinguished career, Prof. Reddy has held several prominent academic and administrative positions. He served as the Rector (Pro Vice-Chancellor) of JNTUH, demonstrating a strong commitment to institutional governance and academic development. His leadership extended nationally as well, having served as Vice-Chancellor of GIET University in Odisha and Director General at Pandit Deendayal Petroleum University (PDPU) in Gujarat. Additionally, he played a strategic role as an Advisor at the All India Council for Technical Education (AICTE), New Delhi, where he contributed to national-level policy frameworks in technical education.

Prof. Reddy is a prolific researcher in the domain of thermal engineering, with numerous sponsored projects supported by organizations such as DRDL, DMRL, ASL, and AICTE. His research interests include nanolubricants in refrigeration systems, active cooling systems for scramjet propulsion using CFD, planar flow melt spinning, and alternative fuel applications in internal combustion engines. He has published extensively in reputed journals and has made significant contributions to applied engineering research that bridges academia and industry.

Known for his strategic foresight, Prof. T. Kishen Kumar Reddy is deeply respected for his efforts in elevating academic standards, fostering international collaborations, and promoting innovation and entrepreneurship among students. His presence as the Chief Guest at the 23rd Graduation Day Ceremony of Vardhaman College of Engineering is an inspiration to the graduating class and a reaffirmation of the values of academic excellence, integrity, and visionary leadership that the institution upholds.

Message from the Chairman

Dr. T. Vijender Reddy

Chairman, Vardhaman College of Engineering

It gives me immense pride and joy to extend my heartfelt congratulations to the graduating Class of 2025 on the occasion of the 23rd Graduation Day Ceremony at Vardhaman College of Engineering. This day marks a significant milestone in your lives a culmination of years of hard work, learning, and personal growth, and the beginning of a journey filled with promise and responsibility.

As Chairman, I have always envisioned this institution as a nurturing ground for young minds, where knowledge is imparted not just to secure degrees but to shape leaders, innovators, and compassionate citizens. I am delighted to see how this vision has come to life through your achievements, your values, and your dedication to excellence.

Graduation is not merely an end but a doorway to new opportunities, challenges, and adventures. Whether you choose to pursue advanced studies, contribute to industry, or chart your own entrepreneurial path, remember that the foundation laid here at Vardhaman will continue to support and guide you. Let your character be as strong as your competence, and your actions be guided by integrity, empathy, and a commitment to lifelong learning.

On this momentous occasion, I wish to acknowledge the dedication of our faculty, the encouragement of your families, and the resilience each of you has shown throughout your academic journey. You are now ambassadors of this institution, and we trust that you will carry the Vardhaman legacy with honor and distinction.

Congratulations once again, and may your future be filled with success, purpose, and fulfillment.

Message from the Secretary

Mr. T. Upender Reddy, MS (Mech)
Secretary, Vardhaman College of Engineering

Dear Graduates,

On behalf of the management of Vardhaman College of Engineering, I take great pleasure in congratulating each one of you on reaching this remarkable milestone in your academic journey. The 23rd Graduation Day is a celebration of your perseverance, discipline, and intellectual achievement—a day that honors your commitment to excellence and prepares you for a future filled with opportunity.

As Secretary and a fellow engineer, I deeply value the rigorous training and holistic education that you have undergone at this institution. The engineering profession demands more than technical knowledge—it requires creativity, ethical judgment, teamwork, and a passion for solving real-world problems. I believe your time at Vardhaman has equipped you not just with subject expertise, but with the mindset and values necessary for lifelong success.

Our goal has always been to offer an environment where students grow intellectually, socially, and emotionally. From cutting-edge laboratories to vibrant student-led initiatives, every element of this campus was built to support your aspirations. As you graduate today, know that this college will remain your intellectual home, and we will always take pride in your accomplishments.

To the families of our graduates, thank you for your unwavering support. To the faculty and staff, your mentorship has made a lasting impact. And to our students—you are now ready to take your place in the global community of professionals.

Let your journey ahead be guided by purpose, shaped by resilience, and inspired by the spirit of innovation. We look forward to hearing your success stories as you contribute to the betterment of society and carry forward the legacy of Vardhaman.

Wishing you all a bright and rewarding future.

Message from the Treasurer

Mr. E. Prabhakar Reddy

Treasurer, Vardhaman College of Engineering

It is a moment of immense satisfaction and pride to address the graduating Class of 2025 on the occasion of the 23rd Graduation Day of Vardhaman College of Engineering. This day is not only a culmination of your academic efforts but also a reflection of the values and vision that this institution stands for.

As Treasurer, I have had the privilege of overseeing the development of infrastructure and facilities that support high-quality education. Every investment made-whether in technology, research, faculty development, or student welfare-has been with a single objective: to empower students to thrive in an ever-evolving world. Today, as I see our graduates ready to step into diverse professional fields, I feel assured that these efforts have borne fruit.

Graduation is both an ending and a beginning. It is the conclusion of your time within the structured environment of academia and the commencement of your engagement with the dynamic, often unpredictable world beyond. I encourage you to carry forward the lessons learned here-not just from textbooks and classrooms, but from experiences, challenges, friendships, and reflections.

You now represent Vardhaman College of Engineering to the world. Uphold its values of excellence, integrity, and service. Be responsible citizens and compassionate human beings, and never lose your curiosity or your courage to explore uncharted paths.

I congratulate you and your families for this outstanding achievement. Your success is the result of collective effort, and your future holds endless possibilities. May you all achieve great heights in your careers and personal lives.

We are proud of you. The world awaits your contributions.

Message from the Principal

Prof. J.V.R. Ravindra

Principal, Vardhaman College of Engineering

It gives me immense pleasure and pride to extend my heartfelt congratulations to the graduating Class of 2025 on the occasion of the 23rd Graduation Day Ceremony of Vardhaman College of Engineering. This day is not just a ceremonial milestone-it is a profound moment of reflection, recognition, and renewal. It marks the culmination of your academic journey with us and heralds the beginning of a new phase filled with promise and purpose.

Over the past four years, you have grown not only as aspiring engineers but as responsible individuals ready to contribute meaningfully to society. You have embraced challenges, persevered through uncertainties, and emerged stronger, more capable, and more confident. Your achievements, both in academics and in co-curricular pursuits, are a testament to your dedication and the vibrant learning environment fostered at Vardhaman.

As Principal, I have always believed that education is not solely about acquiring knowledge, but about shaping character, fostering innovation, and nurturing ethical leadership. I am proud to say that the Class of 2025 reflects these values in every respect. Your journey has been supported by a committed faculty, a progressive curriculum, and an ecosystem that encourages critical thinking, collaboration, and creativity.

I urge each of you to move forward with a sense of purpose. Let your learning evolve continuously, let your actions be guided by integrity, and let your success be measured not just by personal gain but by the positive impact you create in the world.

May this Graduation Day remain a cherished memory in your life, and may your future be filled with opportunities, growth, and fulfillment. You will always be a part of the Vardhaman family.

Congratulations once again!

Grace Appeal 2025

Appeal of Grace of the Academic Council

On behalf of Vardhaman College of Engineering, I supplicate grace of the Academic Council on the candidates for admission to the degrees of

1. Bachelor's Degree in Artificial Intelligence and Data Science
2. Bachelor's Degree in Artificial Intelligence and Machine Learning
3. Bachelor's Degree in Civil Engineering
4. Bachelor's Degree in Computer Science and Engineering
5. Bachelor's Degree in Computer Science and Engineering (AIML)
6. Bachelor's Degree in Electrical and Electronics Engineering
7. Bachelor's Degree in Electronics and Communication Engineering
8. Bachelor's Degree in Information Technology
9. Bachelor's Degree in Mechanical Engineering
10. Master's degree in Business Administration
11. Master's degree in Computer Science and Engineering
12. Master's degree in Digital Electronics and Communication Systems
13. Master's degree in Engineering Design
14. Master's degree in Power Electronics and Electric Drives
15. Master's degree in Structural Engineering

With Respect to the Vardhaman College of Engineering

Principal: "Hon'ble, Chief Guest,

I solicit to move that the grace of the Academic Council be passed that, the persons whose names are herewith appended and whom the Jawaharlal Nehru Technological University, Hyderabad (JNTUH) on the report of the examiners duly appointed, have certified to be qualified for the respective University Degree and Medals instituted by Vardhaman College of Engineering"

Invocation and Welcome Address and Report by the Principal

Respected Chief Guest, Hon'ble Vice Chancellor Prof. T. Kishen Kumar Reddy garu,
Esteemed Guest of Honour, Dr. Kishore Nath Nayani
Beloved Chairman Dr. T. Vijender Reddy garu,
Secretary Mr. T. Upender Reddy garu,
Distinguished Faculty Members,
Dear Parents, and My Dear Students,

Good Evening to you all.

It is with immense pride and heartfelt joy that I welcome each one of you to **Graduation Day 2025**. Today, we celebrate not just academic success, but a transformative journey of dedication, discovery, and determination.

Let me begin with a Sanskrit śloka that captures the essence of knowledge:

“सा विद्या या विमुक्तये।”

Sā vidyā yā vimuktaye

True knowledge is that which liberates.

Dear Graduands,

Today, you stand at the threshold of a new beginning. You are not just receiving a degree you are receiving a responsibility. A responsibility to apply knowledge with wisdom, to lead with integrity, and to innovate with compassion.

These past four years have witnessed your growth intellectually, emotionally, and ethically. You have faced challenges, adapted to unprecedented times, collaborated in diverse environments, and demonstrated resilience.

As your Principal, I have watched with admiration the many talents you have displayed from academic excellence and research publications to entrepreneurship, community service, and technological innovations. Let me take a moment to acknowledge our student startups, patent holders, and project leaders whose contributions have already begun shaping the future.

“कर्मण्येवाधिकारस्ते मा फलेषु कदाचन।”

Karmaṇy-evādhikāras te mā phaleṣu kadācana

You have the right to perform your actions, but not the fruits thereof.

(Bhagavad Gītā, Chapter 2, Verse 47)

This verse reminds us that **effort, not entitlement, defines our destiny**. In a world that is ever-changing, let your work ethic, your humility, and your thirst for learning be your guiding lights.

To our dear parents and guardians - thank you for entrusting us with your children. Your unwavering support and sacrifice have played an integral role in their success.

To my dedicated faculty and staff - your commitment, mentorship, and silent toil behind the scenes are the true foundation upon which these milestones are built.

And to our Chief Guest, Hon’ble Vice Chancellor Prof. T. Kishen Kumar Reddy garu thank you for gracing this occasion and inspiring our students with your presence and wisdom.

As we send off our graduates, let me share one more śloka that embodies our blessing for you:

“त्वयि प्रविष्टा वयमेकवीर्याः

विद्या समृद्धिर्भवतु त्वदीया।

लोकहितार्थं चरितं सदा ते

जयतु तेजः प्रतिभा च ते सदा॥”

May the knowledge you gained here prosper within you.

May you walk the path of righteousness, guided by purpose and passion.

May your brilliance always shine for the welfare of the world.

In conclusion, dear students

As you leave the portals of Vardhaman College of Engineering, never forget your roots, values, and the power of service. Keep questioning. Keep exploring. And above all, keep growing - both inward and outward.

Let your journey ahead be filled with **excellence, empathy, and enlightenment**. Congratulations, Class of 2025. You will always remain a cherished part of the Vardhaman family.

Chief Guest's Address – Graduation Day 2025

The **23rd Graduation Day** of Vardhaman College of Engineering was graced by the esteemed presence of **Prof. T. Kishen Kumar Reddy garu**, Hon'ble Vice Chancellor of **Jawaharlal Nehru Technological University Hyderabad (JNTUH)**, who served as the **Chief Guest** for the ceremony. Prof. Reddy delivered an inspiring and thought-provoking address to the graduating class, their proud families, and the faculty. He began by expressing his sincere gratitude to the college for inviting him to be a part of such a momentous occasion and extended his heartfelt congratulations to the graduates, faculty members, and parents.

In his address, Prof. T. Kishen Kumar Reddy emphasized that graduation is not merely an academic milestone, but a **transformational juncture**-a point where students move from the comfort of structured education into the dynamic, unpredictable world of professional, social, and personal responsibilities. He reminded the gathering that this occasion marks the beginning of a lifelong journey of **learning, exploration, and meaningful contribution** to society.

Addressing the graduating students directly, he noted that they are entering a world marked by **rapid technological advancement and complex global challenges**. He urged them to go beyond technical knowledge-to be **compassionate, ethical, and responsible**. He emphasized the importance of integrity and service, and encouraged students to make impactful contributions regardless of the path they choose-whether in **higher education, industry, entrepreneurship, or public service**.

Prof. T. Kishen Kumar Reddy lauded **Vardhaman College of Engineering** for providing a **rigorous, value-driven education** that blends academic excellence with a strong moral foundation. He commended the faculty for their unwavering dedication in nurturing students not only as competent professionals but as responsible citizens and future leaders. He also praised the college's **modern infrastructure, advanced research centers, and outstanding placement achievements**, which have empowered students to thrive in a competitive global landscape.

He offered **heartfelt congratulations to the parents and families**, acknowledging their sacrifices, steadfast support, and unwavering belief in their children's potential. He noted that the pride reflected in their eyes mirrored the shared journey they had undertaken alongside their wards.

Concluding his address, Prof. T. Kishen Kumar Reddy garu encouraged the graduates to remain **lifelong learners**, and to measure success not merely by professional titles or financial gains, but by the **positive impact they create**, the **lives they uplift**, and the **legacy they leave behind**. He ended by extending his **best wishes to the Class of 2025**, expressing full confidence in their ability to bring honour to themselves, their families, and their alma mater. His deeply meaningful message was met with enthusiastic applause and left a lasting impression on all in attendance.

Guest of Honor Address – Graduation Day 2025

The 23rd Graduation Day of Vardhaman College of Engineering was honored by the presence of **Dr. Kishore Nath Nayani, Scientist - G and Project Director, VEDA, Advanced Systems Laboratory (ASL), Defence Research and Development Organisation (DRDO)**, as the **Guest of Honour**. In his compelling and inspiring address, Dr. Nayani extended heartfelt congratulations to the graduating students, their families, and the faculty members.

He acknowledged the significant milestone that graduation represents, describing it as a gateway to both opportunity and responsibility. Dr. Nayani emphasized the need for graduates to be **adaptable, innovative, and ethically grounded** as they step into a world characterized by rapid technological advances and global challenges. Drawing from his extensive experience at DRDO, he encouraged the students to cultivate a spirit of **curiosity, resilience, and dedication** in pursuit of excellence.

Highlighting the importance of research, innovation, and interdisciplinary collaboration, he praised Vardhaman College of Engineering for fostering an environment that nurtures talent and prepares students for cutting-edge careers in technology and beyond. Dr. Nayani stressed the critical role engineers and scientists play in national development and urged the graduates to contribute meaningfully to society and the nation’s progress.

Concluding his address, **Dr. Kishore Nath Nayani** inspired the Class of 2025 to uphold the highest standards of integrity and professionalism, assuring them that their education at Vardhaman has equipped them well for the challenges ahead. His message resonated deeply with all present and was met with enthusiastic applause.

Administration of the Graduation Oath by the Principal

Before bringing this memorable occasion to a close, we arrive at a moment of profound significance. Graduation is not only a celebration of academic achievement; it is also a solemn acknowledgment of the responsibilities that come with education and professional readiness.

As graduates of Vardhaman College of Engineering, you are now stepping into a world that looks to you for leadership, innovation, ethical conduct, and compassionate engagement. Today, you stand on the threshold of a new chapter-one that demands integrity, accountability, and a deep sense of purpose in every endeavour you undertake.

To mark this transformative transition from students to professionals and responsible global citizens, all graduating students are now invited to rise for the administration of the Graduation Oath-a pledge that embodies the values, vision, and enduring spirit of Vardhaman College of Engineering.

Let this oath serve as a lasting reminder that while your time as a student culminates today, your journey as a learner, contributor, and change-maker continues. Wherever your paths may lead-from higher education and research to industry, entrepreneurship, or public service-carry forward the legacy of Vardhaman with pride, honour, and unwavering commitment.

ceremony, adding significance to the occasion.

The event commenced with a welcome address by Prof Ravindra, who motivated graduates to aim for excellence in their careers.

Degrees were formally conferred upon students across various undergraduate and postgraduate disciplines, including Civil Engineering, Electrical Engineering, Mechanical Engineering,

Electronics and Communication Engineering, Computer Science and Engineering, CSE (AI and ML), Information Technology, Artificial Intelligence & Machine Learning, Artificial Intelligence & Data Science, and Management.

In recognition of academic excellence, Prof Kishen Kumar Reddy presented Gold Medals, Academic Excellence Awards, and Roll of Honour accolades

to meritorious students. Addressing the graduates, he stressed the importance of lifelong learning and continuous skill enhancement in a competitive global landscape.

Kishore Nath Nayani, who joined faculty heads in presenting graduation certificates, encouraged students to pursue their passions with dedication and to continually master their chosen fields.

Chairman Vijender Reddy, in his address, urged graduates to uphold humility and determination in their professional journeys, reminding them to approach life with grace while striving toward their dreams.

The ceremony concluded on a celebratory note, with joyful photo sessions capturing moments of pride and achievement shared by graduates, faculty, and families. The day stood as a landmark in the college's history and a memorable start to the next chapter in the lives of its graduates.
